Introduction

University of Languages & International Studies, VNU

- ULIS is originally known as the School of Foreign Languages, founded in 1955. After five decades of operation and development, ULIS has been recognized as the national leading center of foreign language teacher and specialist education.
- The University offers degrees in: English, Russian, French, Chinese, German, Japanese, Korean, Arabic, Thai.
- ULIS is a prestigious university in languages, linguistics, international studies and related social sciences and humanities in Vietnam. Its mission is to contribute to Vietnam's national development through the pursuit of excellence in education, research, and the provision of quality services relevant to the needs of society.

Center for International Education

CIE was founded in 2010 with its functions of organizing and implementing international joint education programs, foreign language trainings. CIE also offers certifications for those who need to participate in Vietnamese training programs and provides high-quality services relevant to the needs of society.
