# FROM THE EDITORS

*O*ur dear readers,

This first quarter of 2023 has gone by. Reflecting these 3 months, ULIS has successfully completed different tasks and organized numerous important events, including effective deployment of student recruitment communication and advisory activities of the University; successful organization of many major events, such as U Village Festival 2023, a wide range of conferences, seminars and workshops. In this quarter, ULIS also completed the external assessment of the training programs in French, Chinese, Japanese and Korean Languages and FLSS. The University carried out good implementation of security, order and fire prevention to ensure ULIS officials and lecturers received good care during the 2023 Lunar New Year, etc.

The successful organization of these events is a sign of a promising year for ULIS. In the second quarter of 2023, the University has a number of important tasks which need to be performed well, such as to organize UNC2023's main day; to actively deploy communication tasks for student intakes to ULIS training programs at all levels; to conduct a midterm review of the implementation of the FIRE Project and the Digitalization Plan; to renovate graduate training activities and implement the project on supporting ULIS undergraduates in their study.

On behalf of the Editorial Board, we wish you good health and a brilliant summer with our beloved ULIS.
