FROM THE EDITORS

Our dear readers,

This second quarter of 2023 has gone by. Reflecting these 3 months, ULIS has successfully completed different tasks and organized numerous important events, including successfully organized UNC2023's main day; actively deployed communication tasks of training programs at all levels; successfully held F.I.R.E project and a preliminary conference on the University's Digital Transformation Plan in the period 2020-2025; implemented the project on renovation of graduate teaching activities and the project on study support for ULIS students. etc.

In the third quarter of 2023, the University has a number of important tasks which need to be performed well, such as enroll regular undergraduate and 2nd group of graduate students in 2023 with sufficient quantity and high quality; assess innovation projects of all ULIS departments, faculties and offices, and hold a preliminary review of 3 years of implementing the Digital Transformation Plan 2020 - 2025 of the University; to organize the ULIS annual faculty, staff and review conference of the 2022-2023 academic year; review, adjust and promulgate documents directing and administering the operation of the University; to plan and implement science and technology activities for the academic year 2023-2024; complete the self-assessment report of 5 pedagogical training programs, including English, German, Japanese, Korean, and Chinese; complete the renovation of block A9, 2nd floor of block C3; to start the renovation of blocks A4 and A5.

On behalf of the Editorial Board, we wish you good health and a brilliant summer with our beloved ULIS.

I/ PROMINENT ACTIVITIES OF ULIS LEADERS

1. Meeting with Deputy Minister of Education of Russian Federation Gribov Denis Evgenievich

On April 6th, 2023, Foreign Language Specialized School – University of Languages and International Studies (FLSS – ULIS) welcomed the delegation of the Ministry of Education of the Russian Federation led by Deputy Minister Gribov Denis Evgenievich to visit and work at the school.

Delivering his remarks at the meeting, ULIS President Do Tuan Minh hoped that the Ministry of Education of the Russian Federation would continue to support ULIS in general and FLSS in particular in implementing programs on teacher and student exchanges, and scholarship, etc.

Representing FLSS, Principal Nguyen Phu Chien shared about activities of the school.

On behalf of the delegation of the Ministry of Education of the Russian Federation, Deputy Minister Gribov Denis Evgenievich affirmed that cooperation in education was a measurement of the relationship between the two countries. He was pleased that Russian language has been taught at ULIS and FLSS since its establishment and received good attention. He hoped that more experience sharing and training cooperation activities to develop and popularize Russian language would be implemented at FLSS, ULIS as well as in Vietnam in the coming time.

After the meeting, the delegation of the Ministry of Education of the Russian Federation met the students of the Russian language classes at FLSS.

2. Ambassador of the Republic of Korea to Vietnam H.E Oh Young Ju visited and lectured at ULIS

On April 21st, 2023, Ms. Oh Young Ju – the Ambassador of the Republic of Korea to Vietnam visited and lectured at ULIS-VNU.

Delivering his speech at the meeting, President Do Tuan Minh extended his sincere thanks to Ambassador Oh Young Ju for visiting and working at the school and hoped that the Ambassador in particular and the South Korean Embassy in general would continue to support ULIS in future activities.

In response, Ambassador Oh Young Ju expressed her honor to visit and exchange at ULIS - a prestigious university with a long history of foreign language training that has contributed significantly to promoting Korea-Vietnam relations. The Ambassador also expressed her desire to cooperate closely with the University.

After working with the leaders of the University, Ambassador Oh Young Ju gave a lecture on the topic of cooperation between Vietnam and Republic of Korea to many Korean language teachers and students at ULIS. She then introduced the history, achievements and vision of the relationship between the two countries from 900 years ago and officially since 1992 with the determination to comprehensively and closely develop together and create mutual benefits. At the same time, the Republic of Korea's development strategy in general and foreign policies were also shared.

Many questions from students were answered by the Ambassador. She emphasized that the future of the cooperation relationship between the two countries depends greatly on today's students, so the young generations of the two countries need to be proactive to enhance their mutual understanding.

3. ULIS welcome H.E. Mr. Bader Almatrooshi, UAE Ambassador to Vietnam

On May 24th, 2023, Ambassador of the United Arab Emirates (UAE) to Vietnam – H.E. Mr. Bader Almatrooshi paid a visit to ULIS.

At the meeting, President Do Tuan Minh expressed his deep gratitude to the UAE Embassy in general and Ambassador Bader Almatrooshi in particular for giving much love and attention to the Arabic language teaching activities at ULIS. He also hoped that the UAE Ambassador and Embassy would continue to support activities of the University as well as the Division of Arabic Language and Culture in the future.

Mr. Bader Almatrooshi spoke highly of ULIS students' level and ability to use Arabic as well as the training quality of the Division of Arabic Language and Culture. He also affirmed that the UAE Embassy was ready to participate in organizing and implementing many specific cooperation activities with the University in the future, contributing to the development of relations not only between the two sides but also the relationship between the two countries in education.

After the meeting, Ambassador Bader Almatrooshi visited the Division office and Sheikh Zayed library.

4. Cooperation agreement with Minsk National Language University (Belarus) signed at Exhibition “Belarus Education Day”

Within the visit of the delegation of the Belarusian Ministry of Education, the Ministry of Education and Training of Vietnam and the Ministry of Education of Belarus coordinated to organize the exhibition “Belarusian Education Day in Vietnam” on June 15th, 2023 at Hanoi University of Science and Technology.

The delegation of ULIS led by Vice President Lam Quang Dong attended the exhibition and the signing ceremony of the cooperation agreement between ULIS and Minsk National Language University, Belarus under the witness of leaders of the Belarusian Ministry of Education of and the Vietnamese Ministry of Education and Training.

The two sides agreed to discuss the implementation of cooperation in education, training and academic research.

After the signing ceremony, Vice President Lam Quang Dong and the delegates visited the exhibition.

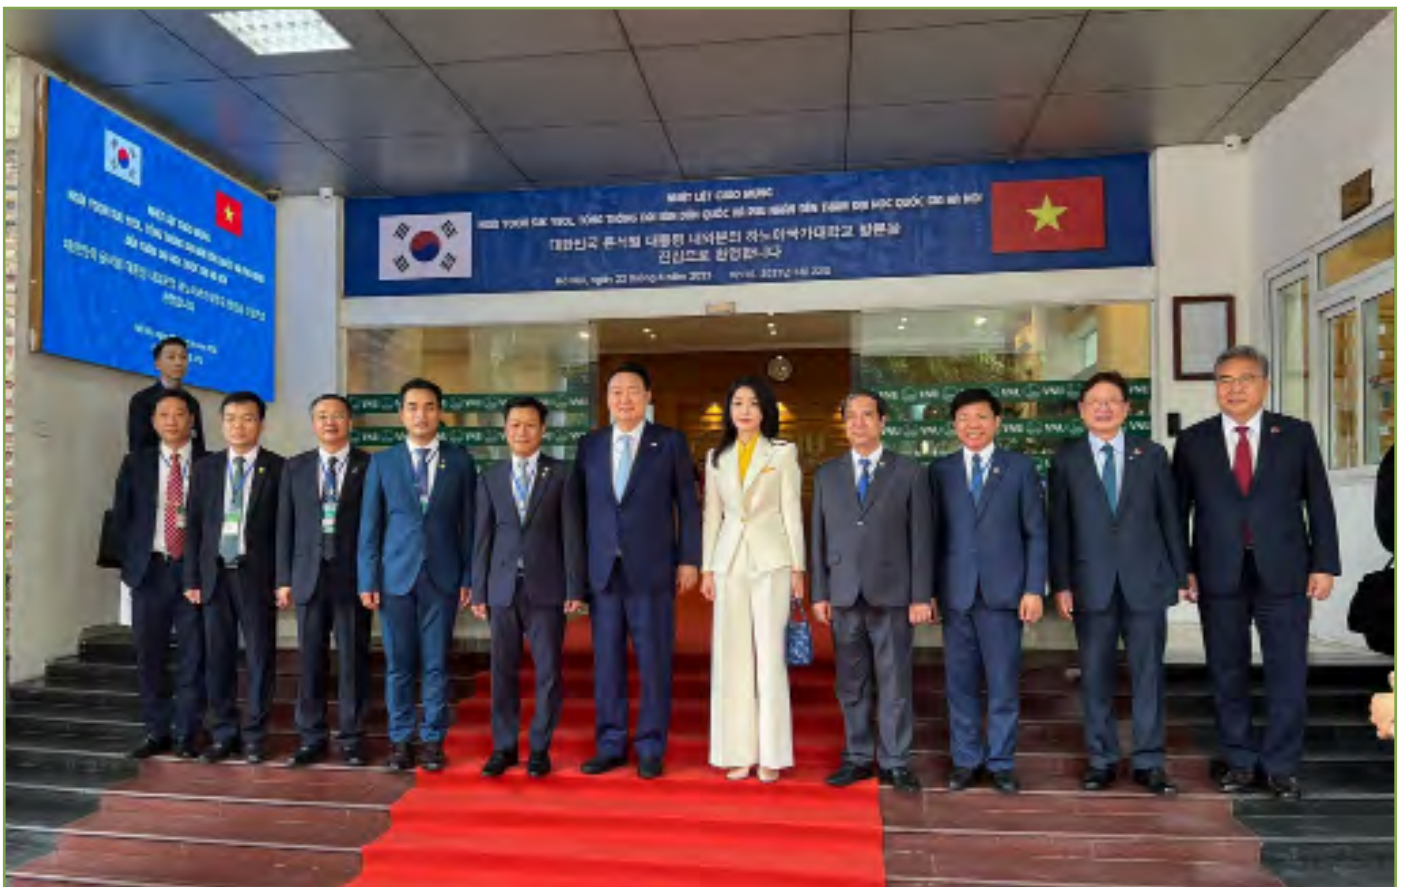

II/ COOPERATION & DEVELOPMENT

1. Mr. Yoon Suk Yeol – President of the Republic of Korea visits ULIS

On June 22nd, 2023, Mr. Yoon Suk Yeol – President of the Republic of Korea and his spouse visited VNU and exchanged with Korean language students on the occasion of the President's official visit to Vietnam on June 22nd – 24th, 2023.

Delivering his speech at the reception, Mr. Yoon Suk Yeol – President of the Republic of Korea expressed his pleasure to visit Vietnam and VNU. He commented that VNU and Seoul National University of Korea are similar in terms of their importance in training talents for the countries.

On this occasion, the President and his spouse participated in the program “Talking with Vietnamese learners of Korean” at Sunwah Hall and answered questions from young Vietnamese about the beauty of Korean culture. Students from ULIS, FLSS and UMS participated in this program, and some of them were honored to talk in Korean directly with the President.

2. Cooperation agreement with ISMART Hanoi Company signed

On April 11th, 2023, ULIS-VNU and ISMART Hanoi Company conducted an evaluation on the hybrid (online and offline) English teaching program and organized cooperation agreement signing ceremony between the two sides.

At the beginning of the event, Mr. Bach Ngoc Chien - representative of ISMART company shared about the strengths of the hybrid (online and offline) model and the successful promotion of the program.

Next, the two sides discussed the approaches to the training curriculum of English teachers and students. ISMART company's representatives also expressed their desire to provide all necessary information and benefits for ULIS during the cooperation period.

At the same time, ULIS's representatives also raised related questions. President Do Tuan Minh expected that in the following meetings, the two sides would continue to discuss related issues in more detail.

At the ceremony, the representatives of the two sides signed an agreement to deploy the hybrid (online and offline) English teaching program.

3. A new cooperation program with YES Corporation, Republic of Korea signed

On April 25th, 2023, ULIS-VNU and YES Group (Republic of Korea) held a meeting and agreed to sign a new cooperation program.

ULIS and YES Group have signed a memorandum of understanding before. This time, the two sides agreed to sign a cooperation agreement to implement programs related to market research on English education in Vietnam; development of a digital English diagnosis and achievement assessment system for primary and secondary schools in Vietnam; modifying digital English textbooks from YES corporation; developing and providing teaching materials for the Vietnamese market.

3. MOU with International Graduate School of English (IGSE, Republic of Korea) signed

On April 25th, 2023, ULIS-VNU held a signing ceremony of cooperation agreement with the International Graduate School of English (IGSE, Republic of Korea).

At the ceremony, representatives of the two sides signed an official MOU and agreed to cooperate in the following fields: exchange of lecturers and students, support for activities related to research cooperation programs, projects and other issues between the two schools. The agreement is valid for 5 years with a renewal clause.

Delivering his speech at the ceremony, President Do Tuan Minh expressed his special interest in the Master's Program of Translation and Interpretation at IGSE. He hoped that specific cooperation programs between the two sides would be a bridge to help students develop their ability in translating and interpreting Korean and English, and accumulate a lot of knowledge and practical experience. At the same time, the two sides could build many cooperation opportunities based on the signed MOU.

4. Meeting with University of Konstanz (Germany) held

On May 17th, 2023, ULIS-VNU held a meeting with the delegation of Konstanz University (Germany) to discuss cooperation activities between the two sides.

During the meeting, representatives of the two universities proposed and discussed cooperation activities in the future such as promoting student exchange programs between the two universities, organizing partnership training programs in languages and business management, enhancing intercultural communication, etc.

At the meeting, President Do Tuan Minh expressed his pleasure to welcome the delegation of Konstanz University and hoped to cooperate with them in potential fields.

The representatives of both sides affirmed their desire for a comprehensive and long-term cooperation and further development of this good relationship. It is expected that cooperation activities will continue to be discussed and implemented as soon as possible.

5. Meeting with the National Chin-Yi University of Technology

On May 23rd, 2023, ULIS-VNU held a meeting to work with the delegation of the National Chin-Yi University of Technology.

At the meeting, the representatives of the two schools expressed their pleasure when the cooperation activities between the two sides had been actively and effectively implemented in recent years.

Talking at the meeting, representatives of the two universities also expressed their desire to maintain and expand the cooperation through short-term student exchange activities to create opportunities for students of both sides to experience both cultures.

The two sides agreed to work together to strengthen the development of this good relationship in the future.

6. Meeting with representatives of Sumitomo Foundation, Japan

On June 13rd, 2023, ULIS-VNU held a meeting with Mr. Kenichi Hayama, representative of Sumitomo Foundation (Japan) to discuss potential cooperation.

Following the success of previous years, the meeting was held with an aim to improve understanding, share experiences in applying for grants, and promote cooperation with the Sumitomo Foundation.

During the meeting, Mr. Kenichi Hayama - the representative of the Sumitomo Foundation shared more deeply about the Foundation, its purpose, meaning as well as how to apply for funding. He hoped that the Foundation could help implement meaningful projects of ULIS staff.

Vice President Lam Quang Dong expressed his gratitude to the Sumitomo Foundation in its efforts to fund research projects of the community in general and ULIS in particular.

7. ULIS welcomes delegation of Traditional Calligraphy Association

On June 15th, 2023, ULIS - VNU welcomed a delegation of the Traditional Calligraphy Association (Chinese Taipei) to visit and exchange with ULIS students.

At the meeting, the delegation representative expressed his joy when having the opportunity to visit ULIS and promote the art of calligraphy to ULIS staff and students.

Vice President Ha Le Kim Anh extended her thanks to the delegation for visiting ULIS and believed that the sharing about calligraphy would be a valuable experience for the students of the University.

After that, the delegation had an exchange session with students of the Faculty of Chinese Language and Culture at Vu Dinh Lien amphitheater.

At the end of the exchange, the delegation wrote and presented calligraphy to all the students of the Faculty of Chinese Language and Culture.

III/ PROMINENT ACTIVITIES OF THE UNIVERSITY

1. Commencement for students of 34th cohort of International Joint Master's Course held

On April 10th, 2023, ULIS-VNU solemnly held the commencement to present master's degrees to students of the 34th cohort of the International Joint Master's Course with Southern New Hampshire University (USA).

Delivering her speech at the ceremony, Vice President Ha Le Kim Anh extended her congratulations to 16 master's degree recipients.

On behalf of Southern New Hampshire University, Prof. Rosemary Orlando expressed her joy and pride when witnessing the successful course completion of the students. She hoped that the students would take advantage of the knowledge they had accumulated during the study time to realize their dreams.

At the ceremony, representatives of the two schools presented master's degrees to graduate students.

2. Opening ceremony of second-degree program in English language

On April 10th, 2023, ULIS-VNU held the opening ceremony of the second-degree program in English language for the QH23.1.F2.E cohort at Vu Dinh Lien amphitheater.

At the beginning of the opening ceremony, Dr. Hoa Ngoc Son - Dean of the Faculty of Language Education & Professional Development announced the decision on the admission of 160 new students.

In her inaugural speech, Vice President Ha Le Kim Anh extended her congratulations to the new students and thanked them for trusting and choosing ULIS to continue their study.

Following that, the new students were introduced to the training program, regulations, schedule, benefits, etc. Their questions were also addressed in this session.

3. ULIS Commencement in April 2023

On April 11th, 2023, ULIS-VNU organized a Commencement for students graduating in April 2023.

Delivering her speech at the ceremony, Vice President Ha Le Kim Anh congratulated 63 students. She reminded everyone to be grateful, seize their opportunities and accept failure to overcome challenges in the future.

Representing all the graduates, Nguyen Thi Thanh Thao expressed her deep gratitude to the teachers who had accompanied her throughout the campus life.

At the ceremony, Vice President Ha Le Kim Anh represented the school to confer bachelor's degrees to the students.

4. ULIS successfully accredited 04 university-level language training programs

On April 13th, 2023, at the meeting of the Education Accreditation Council in Vinh City (Nghe An Province), ULIS delegation performed very well in answering questions of the Council, successfully defended the accreditation results of 04 training programs at the University.

The 04 training programs accredited in the academic year 2022 - 2023 include French Language, Chinese Language, Japanese Language, and Korean Language which have earned a very high score.

5. Launching ceremony of Bachelor's Program in Transnational Cultural and Media Studies

On April 22nd, 2023, ULIS-VNU held a ceremony to introduce the Bachelor's Program in Transnational Cultural and Media Studies. The ceremony witnessed the participation of a large number of parents and students having keen interest in this new training program of ULIS.

During the ceremony, many exciting and useful activities took place such as introduction to the program, experiencing sample trial lessons in some subjects, thesis defense and ULIS campus tour. In addition, many related questions were raised and addressed in an adequate manner.

6. UNC 2023's Main Day organized

On April 24th, 2023, ULIS-VNU organized UNC 2023's main day. This is an annual activity of the University.

Delivering his speech at the conference, President Do Tuan Minh said that over the past years, UNC has become a brand of the University, which always receives the attention and response of many scholars and teachers at all levels of education and delegates across the country every year. UNC2023 has brought together many fascinating and insightful papers, providing many far-reaching approaches, new directions and solutions to today's existing educational issues.

3 papers were presented at the plenary session.

In addition to the plenary session, the delegates had the opportunity to participate in 24 parallel sessions, listened to and discussed 323 selected papers.

Each paper brings to the conference special research findings, new perspectives, experiences, enthusiasm and even new research concepts, thereby directly or indirectly promoting the development of foreign language teaching, linguistics and international studies in Vietnam.

The conference ended after exciting working sessions with the online and offline participation of nearly 3000 people.

7. Seminar on “Application of artificial intelligence (AI) technology in teaching, learning, testing and assessing foreign languages”

On April 24th, 2023, ULIS-VNU organized UNC 2023’s main day. This is an annual activity of the University.

On May 10th, 2023, ULIS-VNU held a seminar on “Application of Artificial Intelligence (AI) technology in teaching, learning, testing and assessing foreign languages” with the participation of nearly 100 lecturers.

Delivering his speech at the seminar, President Do Tuan Minh shared stories from his personal perspective about the role of AI and affirmed the University’s close attention to the prompt adaptation to technological development, meeting the society’s needs for training.

At the seminar, 4 reports were delivered.

After listening to the reports, the participants experienced using AI applications with the support of ULIS students.

The seminar ended with positive feedback and promises to bring new and better changes to the teaching, learning, testing and assessment of foreign languages for ULIS lecturers and students.

7. ULIS Book Fair in 2023 and talk on “Ho Chi Minh – a great example of reading” held

On May 17th, 2023, ULIS - VNU held the opening ceremony of ULIS Book Fair in 2023 and a talk show to spread the reading culture. The event attracted a large number of interested lecturers and students.

Delivering his speech at the event, Vice President Nguyen Xuan Long affirmed that the development of ULIS Book Fair over the past 3 years was not only a “movement” but also formed and spread the “culture” of reading among ULIS students.

Also at the event, the VNU Reading Culture Ambassador Contest 2023 was launched. Tentatively, students at all levels throughout the university can participate in this meaningful contest.

In addition, ULIS presented gift to the bookstores who have helped ULIS to facilitate the book fair. ULIS looked forward to continuing to cooperate with them in subsequent programs.

The talk show on reading culture was held after that. Prof. Hoang Chi Bao – speaker of the talk show delivered an inspirational sharing on the topic “Ho Chi Minh - A great example of reading”.

8. 20th Congress of ULIS Trade Union, term 2023-2028

On May 19th, 2023, the 20th Congress of ULIS Trade Union, term 2023-2028 took place. More than 100 delegates representing union members of the University attended the Congress.

The congress took place in two working sessions. At the congress, Mr. Nguyen Van Doan, on behalf of the Executive Committee of the ULIS Trade Union, 19th tenure, presented a report to summarize trade union activities in the term 2017-2022 and the orientations and tasks of ULIS Trade Union in the term 2023-2028.

The Congress also heard a review report of the Executive Committee of the Trade Union, 19th tenure. In addition, the University's Trade Union activities were discussed.

Speaking at the congress, VNU Trade Union Vice President Nguyen Thi Thao said that VNU Trade Union spoke highly of the activities of ULIS Trade Union in the term 2017-2022.

President Do Tuan Minh, on behalf of the University, recognized the role of the trade union in building and developing ULIS in general.

The congress elected 26 members to attend the 6th VNU Trade Union Congress and 13 members to join the Trade Union Executive Committee, 20th tenure.

8. English Day 2023 – “Study for better career opportunities”

On May 20th, 2023, ULIS-VNU organized the English Day 2023 “Study for better career opportunities” on a hybrid mode.

In her opening speech, Vice President Ha Le Kim Anh hoped that after today's sharing session, the students would have more motivation to improve themselves, and to adapt to the world's changes.

In the event, two reports were presented and attracted attention from many students. Besides sharing useful knowledge, the two speakers of the events and students also interacted and discussed enthusiastically on topics related to soft skills development and the job market.

After the sharing of the two speakers, a tea party and product display were held. The activity received an enthusiastic response from the students.

Also at the event, 5 workshops were organized and attracted the attention of many students.

9. ULIS students won 22nd Chinese Bridge Competition

On May 20th, 2023, the finale of the 22nd Chinese Bridge Competition “FUMING Cup” was held for students of universities in the North and Central Vietnam.

The finale took place with the participation of 25 candidates who were excellent representatives from 23 universities in the North and Central Vietnam.

ULIS took part in this competition with 2 students, Tran Le My, class 20C7 and Do Ai Lam, class 20C4. The two students with their confidence and stage bravery had amazing performances and secured two second prizes and the best eloquence prize (Tran Le My).

9. ULIS FIRE Day 6.0 in 2023

On May 21st, 2023, ULIS – VNU held the “Students’ Festival for Innovation, Research and Entrepreneurship 2023 – ULIS Fire Day 6.0”. The program received enthusiastic responses from a large number of the University’s students.

The Students’ Festival for Innovation, Research, and Entrepreneurship 2023 is an opportunity to summarize and evaluate the innovation, research, and entrepreneurship activities in the 2022-2023 school year of the University’s students. At the same time, this is an opportunity to spread the spirit of innovation, research and entrepreneurship among students and equip them with knowledge and skills about startup. The festival also created an opportunity to connect teachers and students, current students and former students, the University and its partners, as well as promote the creativity and talent of the University’s students.

Delivering his speech at the event, President Do Tuan Minh affirmed that the development of innovation, research and entrepreneurship activities of students is always considered by ULIS as an important task.

Also in the program, the ULIS Innovation Awards in 2023 were presented to 13 university students, 1 middle school student and 2 high school students with outstanding achievements in innovation, research, and entrepreneurship activities of the University in the last school year. This is the recognition and encouragement for them to try harder.

At ULIS FIRE Day 2023, a ceremony to launch innovation, research, and entrepreneurship activities for 2023-2024 school year was held.

Within the festival, many interesting activities for students took place such as the Finale of “Innovation and Entrepreneurship Competition 2023”; Festival of ULIS Junior Ambassador; experiential activities held by faculties/divisions, UMS, FLSS and student clubs of the University; etc.

10. Seminar “Connecting and serving the community - Perspectives of experts, managers and lecturers”

On May 26th, 2023, ULIS-VNU cooperated with UniHub, the Institute of Education Quality Assurance, VNU to organize a seminar with the topic “Connecting and serving the community – Perspective of experts, managers and lecturers” with the aim of sharing experiences and exchanging information related to strategy development and activity organization to connect and serve the community in higher education institutions.

Delivering his speech at the seminar, Vice President Lam Quang Dong hoped that this seminar would gather useful knowledge and experiences from leaders, experts and managers so that community service activities among universities would continue to grow.

4 papers were presented at the seminar.

A Q&A session was also held. Many questions from teachers and administrators were raised and answered promptly.

The seminar ended with positive feedback and promises to bring new changes to the community service work of universities across the country in general and ULIS in particular.

10. Students of Guangxi University for Nationalities visited and experienced Vietnamese culture in Ninh Binh

On May 23rd, 2023, ULIS-VNU organized an extra-curricular activity for students of Guangxi University for Nationalities, China to learn about Vietnamese culture in Ninh Binh Province.

During this trip, teachers and students had the opportunity to visit and experience at three famous tourist sites of Ninh Binh: Trang An tourist area, Bai Dinh pagoda and Mua cave. This was a great experience for Chinese students because they not only got to visit the monuments and landscapes, but also listened to the historical stories behind each monument, helping them to understand and learn more about the beauty of Vietnamese culture, and improve their ability to use Vietnamese at the same time.

The students all expressed their excitement and joy after the trip.

11. Seminar on the future of English

On June 13rd, 2023, ULIS-VNU in collaboration with the British Council in Vietnam held the seminar “The Future of English”.

Delivering his speech at the seminar, Vice President Lam Quang Dong expressed his gratitude to the British Council Vietnam for 30 years of close and effective cooperation with ULIS.

At the seminar, the participants took part in discussion sections and asked the speakers many questions. All of the questions were answered thoughtfully.

In general, the seminar contents showed that in the current globalization context, the need for communication among countries is strongly promoted, which makes English become ever-more common. English gives us opportunities to thrive in many fields such as study, working, etc.

IV/ PROMINENT ACTIVITIES OF DEPARTMENTS

1. Seminar on “Insurance and life”

On March 31st, 2023, the Community of Practice on Economics in collaboration with the International Joint Program in Economics and Finance held the seminar “Insurance and life”. This is also a practical activity of the subject “Insurance and Risk” for third-year students.

Delivering his speech, Dr. Hoa Ngoc Son, Dean of Faculty of Language Education and Professional Development hoped that this seminar would provide useful knowledge about insurance and help students understand the role of insurance so that they could know how to apply it to their life.

During the seminar, three speakers shared about life and non-life insurance, introduced specific insurance products in the two insurance fields, which are suitable for businesses or individuals; models of insurance company-credit institution linkages; meaning of the risk management of insurance; and how to protect the insured against unfortunate events in life.

At the same time, the speakers advised job opportunities for students with passion and desire to have a try at the insurance industry. This is an industry with a lot of potentials, promising great growth in the future.

2. Five excellent FLSS students secure prizes at the 16th Russian Olympiad for high school students in Vietnam

On April 6th, 2023, the Russian Center for Science and Culture in Hanoi announced the list of winners in the 16th Russian Olympiad for high school students in Vietnam.

Accordingly, five excellent FLSS students secure prizes at 16th Russian Olympiad for high school students in Vietnam.

For this year’s Russian Olympiad, FLSS had 05 contestants to participate in the final round. Amazingly, all the 5 students excellently won prizes. Following this contest, if the winners meet the requirements of Vietnam Ministry of Education and Training, they will have the opportunity to receive a scholarship from the Russian Government and a living allowance from the Vietnamese side to study at a Russian university.

3. 9 students from Faculty of Russian Language and Culture secure prizes at finale of the 21st Olympic Russian Language Competition for Vietnamese students

On March 18th-19th, the finale of the 21st Russian Olympic competition for Vietnamese students was held at the Russian Center for Science and Culture in Hanoi. The ULIS team took part in the competition with 10 students.

With impressive performances, 9 contestants from ULIS excellently secured prizes, bringing honor to the University and Faculty of Russian Language & Culture.

With many consecutive years of winning high prizes at this prestigious competition, the Faculty of Russian Language and Culture continues to affirm its leading position in Russian language training in Vietnam.

3. UMS first cohort graduated

On May 29th, 2023, UMS solemnly held a graduation ceremony for its first cohort.

The ceremony program started with a parade of 100 students. They together looked back on their 4-year journey with UMS where they grew up and developed, and nurtured their dreams and ambitions.

The ceremony was featured with a short movie capturing the 4-year journey of the first-cohort students.

Delivering his speech at the ceremony, President Do Tuan Minh spoke highly of the efforts of all students and teachers over the past 4 years to make it happen.

4. FLSS received Certificate of Education Accreditation Level 3 and Certificate of National High School Accreditation Level 2

On May 28th, 2023, FLSS solemnly held the closing ceremony for the 2022-2023 school year. In this ceremony, the school was also honored to receive the Certificate of Education Accreditation Level 3 and the Certificate of National High School Accreditation Level 2.

At the beginning of the ceremony, Ms. Lai Thi Phuong Thao – FLSS Vice Principal read the summary report of the school year 2022 - 2023.

After that, Mr. Nguyen Phu Chien – FLSS Principal touched K52 cohort with profound advice and good wishes before they entered the most important exam of their life – national high school examination.

Prominent results in the second quarter of 2023:

- Successfully organized UNC2023's main day;
- Actively deployed communication tasks of training programs at all levels;
- Successfully held F.I.R.E project and a preliminary conference on the University's Digital Transformation Plan in the period 2020-2025;
- Implemented the project on renovation of graduate teaching activities and the project on study support for ULIS students.

Crucial tasks in the third quarter of 2023:

- To enroll regular undergraduate and 2nd group of graduate students in 2023 with sufficient quantity and high quality.
- To assess innovation projects of all ULIS departments, faculties and offices, and hold a preliminary review of 3 years of implementing the Digital Transformation Plan 2020 - 2025 of the University; to organize the ULIS annual faculty, staff and review conference of the 2022-2023 academic year.
- To review, adjust and promulgate documents directing and administering the operation of the University; to plan and implement science and technology activities for the academic year 2023-2024.
- To complete the self-assessment report of 5 pedagogical training programs, including English, German, Japanese, Korean, and Chinese.
- To complete the renovation of block A9, 2nd floor of block C3; to start the renovation of blocks A4 and A5.
