ULIS

▶▶▶ About ULIS ◀◀◀

1. Mission

ULIS' mission is to contribute to the national development through the pursuit of excellence in education, research, and the provision of quality services relevant to social demands.

2. Vision

The University of Languages and International Studies (ULIS) becomes a prestigious training and research-oriented university in the region in terms of foreign language education, linguistics, international studies, and related social sciences and humanities.

3. Core Values

ULIS particularly values creativity, dynamics, honesty, responsibility, and capability to work and gain success in a multicultural and competitive globalizing world.

4. Development philosophy

"Creating opportunities together".

PROMINENT ACTIVITIES

ACHIEVEMENTS

01

Appointment of the Chairman of ULIS University Council for the 2022-2027 tenure, ULIS President for the 2023-2028 tenure; appointment of one Vice President and re-appointment of one Vice President.

2023 was a year when ULIS completed the university governance model with a University Council. With the appointment of the Chairman of ULIS Council for the 2022-2027 term, the President for the 2023-2028 term, the appointment of one Vice President and the reappointment of one Vice President, ULIS has completed its leadership structure pursuant to new requirements.

02

Successful completion of quality assurance tasks:

- Organization of ULIS Quality Day 2023; contributing to cementing quality culture at ULIS - VNU
- Organization of training courses on university governance for key staff;
- Successful accreditation of 09 Bachelor programs (including 04 language training programs in French, Chinese, Japanese, Korean and 05 language teacher training programs in English, Chinese, German, Japanese, and Korean) with positive results;
- FLSS received a certificate of recognition as a national-standard high school, tier 2.

03

Successful undergraduate admission and commencement of the new Undergraduate Program on Transnational Culture and Communication.

In 2023, ULIS successfully completed its enrollment for Bachelor programs, ensuring both quantity and quality. Notably, the University succeeded in recruiting students and starting to teach the first cohort of students in the Transnational Culture and Communication program with various innovative and creative forms, marking a new development step in its training.

Several projects approved by the Ministry of Education and Training and Vietnam National University, Hanoi: organization of training and issuance of certificates on foreign language pedagogy; organization of computer-based foreign language assessment exams in line with the 6-level foreign language competency framework for Vietnam; and organization of exams for international foreign language proficiency certificates, including NATTEST, DSD, HSK and VNU Tests.

On September 28th, 2023, the Teachers and Educational Managers Department under the Ministry of Education and Training (MOET) issued an official dispatch approving ULIS project to organize training to issue certificates on foreign language pedagogy at primary and middle/high school levels. By November 30th, 2023, MOET issued an official dispatch approving the project to organize the computer-based foreign language proficiency test in line with the 6-level foreign language competency framework for Vietnam. In addition, the Ministry also approved the project and allowed the University to organize international certification exams such as NATTEST, DSD and HSK.

Along with the career-oriented competency assessment test at Vietnam National University, Hanoi (VNU Tests) that is about to be deployed, the University is gradually improving tests in accordance with its functions and tasks, contributing to fulfilling its role of connecting and serving the community.

05

Successfully organized ULIS Annual National Conference “Research and teaching foreign languages, linguistics and international studies in Vietnam” (UNC 2023); International Graduate Research Symposium (IGRS 2023); and Student Festival for Innovation, Scientific Research and Entrepreneurship (ULIS FIRE 6.0).

The main day of UNC 2023 took place on April 24th, 2023 and IGRS 2023 on October 29th, 2023 are the two largest, most important and prominent scientific conferences held in 2023 with the participation of a large number of national and international delegates.

Quality papers and well-known participants contributed to creating an exciting year in scientific research at ULIS.

In addition, “ULIS FIRE 6.0” on May 21st, 2023 attracted a large number of ULIS students to participate in exciting activities such as Finale of the contest “Lighting the fire of creative startups”; “Ambassador trainee 2023”, “UI Award - ULIS Innovation Award 2023”, etc.

2023 also marks the third birthday of the FIRE Project, which improves the efficiency of innovation activities, scientific research and entrepreneurship of the University students and yielded valuable results.

Implementation of numerous community service activities

06

A good number of community service activities have been implemented, including promulgation of the strategy on community connection and service; organization of the training course “Improving English teaching capacity in the new secondary education program” under the theme “Happy Teacher” (ULIS ACCESS) for high school teachers in 20 northern provinces; organizing ULIS SUCCESS course and the “Shining ULISER bravery” contest for candidates who wish to enroll in ULIS; deploying a program to support teachers and students of 35 middle schools in Ba Vi district, Hanoi and 02 high schools in Thanh Ba district, Phu Tho province to improve the quality of English teaching and learning.

ULIS 20th Trade Union Congress for the term 2023-2028 and the Congress of ULIS Students' Association for the term 2023-2025 organized; actively participating in activities to commemorate the 30th anniversary of the Government's Decree on Vietnam National University, Hanoi.

On May 19th, 2023, the 20th Congress of School Trade Union for the term 2023-2028 took place. With more than 100 delegates, the Congress ended successfully, electing the Executive Committee of 13 members and approving the work plan for the period 2023-2028.

On April 1st, 2023, the 16th Congress of ULIS Students' Association for the term 2023 - 2025 was held with the participation of 150 delegates. The Congress elected the Executive Committee of 21 members.

2023 is an important milestone with the 30th anniversary of the Government's Decree on VNU and 117 years of its tradition. In the joyful atmosphere, ULIS actively participated in activities of this special celebration.

Organization of ULIS Village Spring Festival 2023 - UFest; and 73rd Traditional Day of Vietnamese Students (January 9th, 1950 - January 9th, 2023).

On January 8th – 9th, 2023, "ULIS Village Spring Festival 2023" (UFest) was held at ULIS to celebrate the 73rd anniversary of the Traditional Day of Vietnamese Students (January 9th, 1950 - January 9th, 2023) and create opportunities for students, teachers and staff in the University, partners, teachers, and international students to learn and experience traditional Vietnamese cultural values on the occasion of the Lunar New Year 2023; and honor and present gifts to students. A plethora of interesting activities were held in special spaces.

In 2023, ULIS-VNU was honored to welcome H.E. Mr. Yoon Suk Yeol, President of the Republic of Korea, H.E. Mr. Lee Hsien Loong, Prime Minister of the Republic of Singapore, H.E. Mr. Pham Minh Chinh, Prime Minister of the Socialist Republic of Vietnam, Prof. Peng Liyuan, Spouse of H.E. Mr. Xi Jinping, General Secretary of the Communist Party of China and President of the People's Republic of China, and Madam Phan Thi Thanh Tam, Spouse of H.E. Mr. Vo Van Thuong, President of the Socialist Republic of Vietnam.

In these programs, ULIS has provided support in logistical, security and communications tasks. In particular, the University students had the opportunity to ask questions and chat with the guests, creating a good impression of their foreign language skills and artistic talent.

Facility renovation completed and put into use: ULIS incubation space, block A9; Open library space in block C3; block complex A4-A5.

Following the previous years, in 2023, ULIS renovated and upgraded facilities and equipment in its premises, such as putting into use ULIS incubation space at block A9, open library space at block C3, and block complex A4-A5. The new buildings are expected to contribute to meeting the quality of teaching and learning in a better manner, creating a more beautiful, friendly, and modern ULIS.

▶▶▶ Training - Testing & Assessment ◀◀◀

First cohort of UMS students graduated:

On May 29th, 2023, UMS solemnly held its year-end ceremony for students of all grades and a special graduation ceremony for grade-nine students - the first generation of UMS graduated with ambitious plans, dreams, and ambitions. Each student was honored with their graduation certificate to record the moment of maturity, preparing to move on to a bright and brilliant new journey.

Implementation of Project on Innovating Graduate Training:

Since 2023, ULIS has begun implementing the Project to innovate graduate training activities for the period 2023-2028. The project aims at creating fundamental changes in the quality of training, supporting learners to achieve the necessary competencies and qualities through learning, training and research experiences at the graduate level.

Organization of VSTEP on computer:

In 2023, ULIS completed preparations for organizing the Foreign Language Proficiency Assessment Examination in line with the 6-level Foreign Language Competency Framework for Vietnam. The exam registration portal was also officially launched at <https://vstep.vnu.edu.vn/dangky/>.

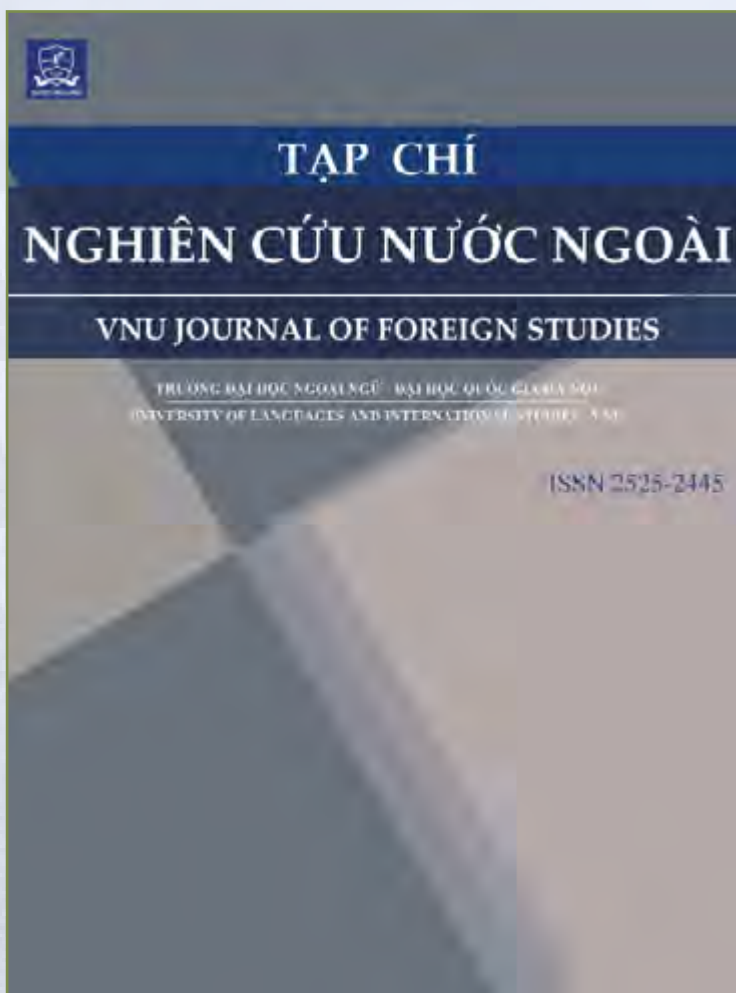

▷▷▷ Science and technology & Innovation ◁◁◁

Scientific conferences held:

In 2023, ULIS continued to strengthen science and technology activities such as organization and co-organization of a number of conferences and seminars: International Conference: Researching and Teaching Korean Studies in Vietnam using an interdisciplinary approach; Seminar “Connecting and serving the community – Perspectives of experts, managers and lecturers”; Seminar “Application of artificial intelligence (AI) in teaching, learning, testing and assessing foreign languages”; International Conference “Language and social interaction in Asian contexts”; Seminar “High school French language program and the development of learning materials”; international conference “Teaching English for Specific Purposes: Perspectives, Policies and Practices”; workshop on innovation and sustainable development in higher education; etc.

ULIS staff also regularly attended and contributed papers at national and international conferences.

Six issues of VNU Journal of Foreign Studies published:

In 2023, VNU Journal of Foreign Studies, an official and independent scientific publication of ULIS - VNU, published six issues, including two in Vietnamese and four in English.

Activities of COPs promoted: In 2023, thanks to various ULIS support policies, the communities of practice (COPs) organized successive seminars, professional exchanges, and knowledge dissemination within and without the University.

Summary of 3 years of implementation of ULIS FIRE: On March 21st, 2023, Summary Conference of 3 years of implementing the Project “Fostering the effectiveness of Innovation, Scientific Research and Entrepreneurship of ULIS students” (ULIS FIRE) in the period 2020-2025 took place. Accordingly, the University spoke highly of the continuous innovation and creativity with an amalgam of start-up projects, as well as the positive results during the past 3 years of the Project with promises to reap more success in the future.

▶▶▶ Cooperation and development <<<< & Community service

MOUs signed with domestic and international partners:

In 2023, ULIS continued its cooperative and developmental activities with different institutions and departments within and without the country, including Ewha Womans University, Korea; International Graduate School of English (IGSE, Republic of Korea); Minsk National Language University (Belarus); ISMART Hanoi Company; EQuest Education Group; Korea University of Foreign Languages; The Vietnam Foundation (VNF); etc.

These activities not only expand the University’s partner network but also create better opportunities for students to earn international degrees, study abroad, do internship abroad, secure scholarships, etc.

ULIS, the destination for various special guests:

As an institution specialized in foreign languages, ULIS always receives great attention from institutions, diplomatic agencies, international organizations and large corporations around the world. In the past year, the University was privileged to welcome Minister of Education of Republic of Belarus; Ambassador of the Republic of Korea to Vietnam H.E Oh Young Ju; UAE Ambassador to Vietnam H.E. Mr. Bader Almatrooshi; Vice Minister of Education of the Russian Federation Gribov Denis Evgenievich; Major General So Hyung Ki - Korean Defense Counterintelligence Command (DCC); Mr. Felix Wagenfeld, Chief Representative of the German Academic Exchange Service (DAAD); Mr. Edgar Doerig – Chief Representative of the Asia-Pacific Office of the International Francophonie Organization (OIF).

Whether coming to visit, exchange, attend a ceremony, or give a lecture, all the guests expressed their love toward ULIS.

Providing social services:

Clearly stated in its missions, ULIS attaches great importance to community services and considers them its social responsibility. In 2023, the University cooperated with partners to implement tasks under the National Foreign Language Project, assist English teachers of secondary schools in Ba Vi district in their professional development, organize foreign language proficiency assessment exams, among others.

Student affairs

ULIS students honored with a number of domestic and foreign awards:

In 2023, ULIS, FLSS and UMS students secured significant awards such as champion of the contest “Excellent Youth Union member 2023”; top 2 at the competition “#TeamUpForClimate Challenge”; first prize at the Theatrical Arts competition, season 1 at Dai Nam University; third prize at the SV_STARTUP 2023 competition; first prize at SILKEN project; Gold Award at YOUTH FRIENDS FESTIVAL 2023 in Indonesia; consolation prize at the contest “Innovative Start-up in Hanoi”; second prize at 16th Chinese Bridge Competition for high school students worldwide; third prize at “National Chinese Speech Contest – Da Nang 2023”; first prize at Hosei Cup Japanese Speech Contest 2023; prizes at 2023 Reading Culture Ambassador Contest at VNU level; second prize at Future Banker 2023 Competition

Support for talented students: ULIS students are not only good at foreign languages but also very talented in other fields. In order to help them develop their talents, have a playing ground to assert themselves, and find jobs, the University organized numerous support activities in 2022 such as presenting (in-budget and off-budget) scholarships; introducing student exchange or overseas study programs; organizing internship program in Japan; implementing job sharing activities; building a system of university, high school and middle school clubs; organizing talent competitions; organizing Student Ambassador programs and implementing cooperation programs with localities; launching the Youth Union and Students' Association movements; organizing cultural experiencing activities; implementing training courses for learners, etc.

***ULIS Ambassador:**

“ULIS Ambassador” is an experiential program for students of the University. From 2023, the program is divided into 3 different task groups (enrollment support, learning support, communication support) to further promote the role of students in the university activities, as while providing students with opportunities to develop themselves and foster love for ULIS.

Active participation in community services:

Volunteering is one of the highlights in the youth movement at ULIS. In 2023, ULIS students continued to contribute to the community through the following activities: blood donation, contribution to building roads and cleaning martyr cemeteries, paying tribute to heroic martyrs, presenting gifts to families of preferential policies, presenting scholarships to underprivileged students, participating in the project “Volunteer Education – JUMP”, etc.

Activities of international students:

As a foreign language training university, ULIS is a “residence” of numerous international students, including students of exchange programs (ULIS and FLSS students also attend exchange programs in the University’s partner institutions), full-time undergraduates, students taking part in Vietnamese language and culture short-term courses, international students studying Vietnamese to get certificates, and so on. International students can participate in different cultural exchange programs, anniversaries and sightseeing activities while studying here.

Other activities

Trade Union activities: In 2023, ULIS Trade Union had various activities to take care of its members' life. The Trade Union organized activities to celebrate special anniversaries, donate to support students with difficult circumstances, provide uniforms for university staff; organize one-day trip on the occasion of International Women's Day and summer vacation; celebrate Vietnamese Women's Day under the theme "Autumn Melody"; organize commemorative meeting on Vietnamese Teachers' Day; implement periodic health checks, etc. Additionally, members of ULIS Trade Union participated in various other practical activities launched by the VNU Trade Union. Notably, ULIS men's football team won the runner-up position in the 2023 VNU staff football tournament.

Organization of a number of big festivals:

In 2023, ULIS organized various festivals such as ULIS Village Sprig Festival, ULIS Connection Day 2023 in Hoa Lac, ULIS Book Fair 2023, Junior Ambassadors Day 2023, ULIS FIRE Day 6.0, Festival of Francophone Colors of Culture 2023, ULIS JAPAN DAY 2023, ULIS ASEAN DAY 2023, Prom "From Hanoi to Moscow 2023, ULIS CLUB DAY 2023, "Youth Dance" Contest; Hangeulnal Festival 2023, etc.

These festivals are opportunities for generations of lecturers, staff, students and alumni to exchange and connect with one another. At the same time, they help promote the languages and cultures of different countries.

*Historico-revolutionary Journey and Party affairs in 2023:

From May 10th to 14th, 2023, ULIS organized the program for a historico-revolutionary journey and discussion of Party affairs in 2023. The program was an opportunity for members of the school to directly learn more about the history of “red localities” of the Vietnamese revolution, expressing respect and gratitude to the heroes and martyrs who had contributed to the resistance wars against foreign invaders and protection of the Vietnamese homeland. Throughout the journey, the members of the Party Committee of the school discussed Party affairs to build a stronger ULIS Party Committee.

*Conference to evaluate the implementation results of innovation projects in the school year 2022-2023, review 3-year implementation of the digital transformation plan for the period 2020-2025 :

On July 12th – 14th, 2023 in Hai Phong, a conference to evaluate the implementation results of innovation projects in the school year 2022-2023 took place (Glorious Finishing Round). The Academic Affairs Office with the Project on supporting students in the course registration process through introducing contents of modules secured the first prize. The conference also summarized achievements in implementing the digital transformation plan for the period 2020-2023 and proposed directions for action in the next period 2023-2025.

*Competition “ULIS – My pride”:

In 2023, ULIS-VNU organized a publicity contest about the University’s missions, vision, core values, and educational philosophy. With more than 200 video entries from officials and learners of different units, the contest contributed to spreading the profile and values of ULIS to the community. 10 awards were presented to the best quality entries.

▷▷▷ Focal tasks in 2024 (semi-official) ◁◁◁

(1) Training:

- To effectively deploy the project on innovating graduate training activities.
- To develop a plan for developing textbooks and learning materials at ULIS-VNU for the period 2024-2030.
- To complete quality accreditation of UMS.
- To pilot a hybrid individualized training model by lecturers at the undergraduate and graduate levels.

(2) Science and research:

- To increase the number of strong research groups at ULIS and VNU levels; remote international publications.
- To promote international cooperation in scientific research; develop science and technology fund.
- To participate in the Socio-Economic Development Program for Northwestern Midland and Mountainous Provinces and some localities.

(3) Student Affairs:

- To develop and implement comprehensive and sustainable solutions to support learners to soon meet the expected output standards of foreign language proficiency.
- To create practice, internship and paid employment opportunities for learners.
- To implement comprehensive solutions to support learners in difficult circumstances.

(4) Cooperation and development:

- To achieve the planned target on the number of foreign lecturers and students working and studying at the University.
- To effectively manage development cooperation activities.
- To improve the efficiency of community connection and services.

(5) Finance and facilities:

- To develop a project for financial autonomy for public non-business units.
- To design and initially construct the University's cultural and educational experience learning area in Hoa Lac.

(6) Institutional governance:

- To continue to strengthen the application of information technology in university governance (effectively exploit HEMIS software; build an information technology platform for connecting high schools; and get feedback from learners).
- To renovate the organization and operation model of FLSS in the new context.
- To effectively operate an advanced university governance model, ensuring close coordination and unity between the Party Committee, University Council and Board of Management.

▷▷▷MY BELOVED ULIS◁◁◁

LECTURE ROOMS

The University has over 200 high-standard lecture rooms, which are arranged in 5 lecture areas fully-equipped with the system of air-conditioners, projectors and speakers. Particularly, a lecture hall cluster is equipped with 400 laptops and interpretation booths, and a rich library containing more than 35,000 books. The cluster can accommodate an examination of up to 6,000 candidates at the same time. In addition, the lecture halls of ULIS can meet all the teaching and learning requirements after the business hours.

DORMITORY

ULIS's dormitory consists of 1,040 rooms in an area of 4,680 m². It accommodates FLSS and ULIS students, international students and other students of VNU. The dormitory is located inside the campus with an open space, conveniently close to all sorts of services, including restaurants, shopping malls, markets and others.

OPEN READING ROOM C3

Renovated in 2023, the Open Reading Room located on the second floor of Block C3 is a place to store documents specializing in foreign languages and applied linguistics with more than 50,000 copies of books and audio-visual materials. Frequently used documents include books on language practice, language theory, exam preparation books, output standards, literature books, country history studies, reference books, scientific journals, advanced dissertations, master's theses, graduation theses and scientific research projects, etc.

HOMIES - OPEN SPACE:

ULIS currently has 7 Homies at the Sports complex, blocks B3, B2, A2, A1, FLSS and C3; and 2 open spaces at FLSS and Block B2, covering a total area of more than 1,500m². The areas are built for learning, reading, relaxation and group activities of ULIS staff and students. With modern and elegant design, the areas have been frequented by all ULIS-ers.

UIS – CREATIVE START-UP INCUBATION SPACE

UIS – Creative Startup Incubation Space is located on the third floor of Block A9. With an area of 300m² outdoors and 200m² indoors, UIS was built with the desire to promote the spirit of innovation, scientific research and entrepreneurship of students in the school, as while creating a space of experience activities for ULIS students.

SPORTS COMPLEX:

Put into operation and use since 2015 and renovated in 2021, ULIS Sports Complex satisfies all the demands for holding competitions and popular sports such as 7-player football, volleyball, badminton, yoga, martial arts, and other collective sports. Particularly, a gymnasium with a capacity of 1,500 people and a 2,000m² outdoor courts will be the ideal places to organize large-scale events.

ULIS - SUNWAH:

Located in a prime location near VNU entrance, ULIS – SUNWAH Building is modernly designed and fully equipped for such purposes as organizing conferences, seminars, exhibitions and others. With the capacity of one large hall (180 seats), one large conference room (80 seats), two small conference rooms (30 seats), and VIP lounges, this is a wonderful venue for numerous types of activities, events, festivals, parties, and so on.

T-ZONE - UCP:

The beautiful cafe located in the area near Block B3 is a place to relax and chat for staff and students.

FREE DRINKING AREA:

Currently available in the vicinity of Blocks A1, B2 and C3, this drinking water is completely free of charge for all ULIS staff and students. The water here is well purified to ensure hygiene and safety.

ULIS STUDIO:

Block C5 in ULIS premises has been refurbished as a modern studio to serve online instructions and build digital learning resources for the University.
